

THE NEW JEWISH HOME

POLICY ON CONFLICTS OF INTEREST

Approved by the Board of Directors on March 13, 2001.

Revised with Approval: August 3, 2004; June 6, 2005; December 15, 2008; April 4, 2013 October 31, 2014; June 21, 2016; November 27, 2018

Purpose

This conflict of interest policy applies to the affiliated group of companies known as The New Jewish Home (collectively referred to as "TNJH"), which includes The New Jewish Home; The New Jewish Home, Manhattan; The New Jewish Home, Harry and Jeanette Weinberg Campus, Bronx; The New Jewish Home, Sarah Neuman Center, Westchester; The New Jewish Home, Community Services; The New Jewish Home, Home Assistance Personnel, Inc (H.A.P.I.); The New Jewish Home, Spectrum Services, Inc.; The New Jewish Home, University Avenue Assisted Living, Inc.; The New Jewish Home, Corporate Services, Inc.; Fund for the Aged, Inc.; and additional related entities.

The purpose of the conflict of interest policy is to protect TNJH's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of a director, officer or an employee of the TNJH or might result in a possible inappropriate excess benefit transaction. This policy is intended to supplement but not to supersede any applicable state and federal laws relating to conflicts of interest.

I. General Standards

All directors, officers and employees of TNJH; have a duty of loyalty to TNJH, which includes:

1. exercising utmost good faith in all matters relating to their duties and responsibilities to TNJH; and
2. acting in a manner reasonably believed to be in the best interest of TNJH when discharging their duties.

II. Confidential Information

Each director, officer and employee must protect the confidential information of TNJH and may not use any confidential information of TNJH for personal gain. Confidential information includes any information that is designated so or that a reasonable person would, in light of the nature of the information and the circumstances surrounding its disclosure, consider confidential or proprietary, including, but not limited to, financial information, payor information, computer software, donor lists, patient/client/family, director, officer, employee and consultant information.

III. Appropriation of Corporate Opportunity

A director, officer or employee may not participate in a transaction the director, officer or employee knows or has reason to believe would fall within the present plans of TNJH without making prior written disclosure to the president or the chair of the Board of Directors of The New Jewish Home. After such disclosure, the disclosing party must abide by the decision of the President, Board Chair or relevant committee (see Section IV(3)).

IV. Disclosure of Potential Conflict of Interest

1. Definition of Potential Conflict of Interest

A director, officer or employee has a potential conflict of interest if the director, officer or employee or a Related Person (as defined below) is known to have a direct, indirect or potential financial interest or other interest in or relationship (including board membership) with any business or entity which has a business, financial or competitive relationship with TNJH or with a benefit plan or fund of TNJH. Ownership of less than 5% of the outstanding shares of a publicly traded company will not be deemed a potential conflict of interest.

A "Related Person" is a person's spouse or partner, parent, descendants, parents' descendants and spouse's or partner's parent's descendants.

A person has a "financial interest" if the person has, directly or indirectly, through business, investment, or family:

- (a) An ownership or investment interest in any entity with which TNJH has a transaction or arrangement,
- (b) A compensation arrangement with any entity or individual with which TNJH has a transaction or arrangement, or
- (c) A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which TNJH is negotiating a transaction or arrangement.

For purposes of these definitions "compensation" includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

Notwithstanding anything in these definitions to the contrary, the provision of *pro bono*, volunteer and other uncompensated services to TNJH shall not be deemed to create a financial interest with TNJH.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists (see Section IV(3)).

2. Duty to Disclose

In connection with any actual or possible conflicts of interest, an interested director, officer or employee ("interested person") must disclose the existence and nature of his or her financial interest and all material facts as follows:

- (a) Officers and employees must make disclosures to the president of The New Jewish Home and the president of the appropriate governing board.
- (b) Directors and the president must make disclosures to the chair of the Board of Directors of The New Jewish Home and of the appropriate governing board.
- (c) The chair must make disclosures to the Audit and Compliance committee of The New Jewish Home's Board. The committee chair will then report the disclosures to the full board of The New Jewish Home and the appropriate governing board.

3. Procedure

After disclosure of the financial interest and all material facts, and after any discussion with the interested person, the interested person shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

Procedures for Addressing the Conflict of Interest:

- (a) An interested person may make a presentation at a board or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
- (b) The chair of the board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- (c) After exercising due diligence, the board or committee shall determine whether TNJH can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- (d) If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in TNJH's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

If the president, the chair of the Board of Directors or the appointed committee of the Board determines that there is a potential conflict of interest, the following shall apply:

- (a) The individual in question may take no part in TNJH decisions to which the conflict relates.
- (b) In addition, with reference to employees, the president or the chair of the Board of Directors may prohibit the activity giving rise to the conflict.
- (c) In addition, with reference to directors, if the conflict involves a matter under consideration by the Board of Directors or a committee thereof, the director:
 - (i) shall disclose such interest to the other members of the Board or committee as soon as the conflict is identified; and
 - (ii) shall not be present during deliberations on such transaction, vote on such transaction or attempt to influence the decision directly or indirectly.

Such disclosure and the fact that the conflicted director did not vote or participate in the deliberations shall be recorded in the relevant minutes, specifically naming the conflicted director.

V. Related Persons as Residents or Clients

It is the policy of TNJH to give priority admissions to relatives of directors, officers and employees. Such relatives will be treated in the same manner as other residents, patients or clients and no priority will be given to them with respect to care or financial matters. In the event that a director, officer or employee has a Related Party who is or becomes a resident or client of a program of TNJH, they must disclose this relationship. The financial records of the related clients will be audited annually by the Chief Compliance Officer, and the findings of such audit shall be reported to the Board.

VI. Appointment as Fiduciary

If a director, officer or employee of TNJH (or their designee) is nominated as a fiduciary under an *inter vivos* instrument or Will of a resident or client of TNJH, as the result of a relationship which originated at TNJH, such appointment shall not be accepted until (a) the nomination has been disclosed in writing to the president of The New Jewish Home, and (b) the president has issued written approval for the appointment. In any such case, statutory or other fees earned in such fiduciary capacity shall be waived or paid over by the director, officer or employee to TNJH.

VII. Gifts

Directors, officers and employees of TNJH (and their Related Parties) may not solicit or accept gifts (including legacies), gratuities, payments or other consideration of any kind, loans (other than from financial institutions) or other favors from, or on account of, any person or organization arising (i) because such person is or was a client of TNJH; or (ii) because such person or organization does, or is seeking to do, business or establish another relationship with TNJH or with a benefit plan or investment fund of TNJH.

Notwithstanding the foregoing, directors, officers and employees (and their related Parties) may accept token gifts and reasonable business meals. Travel and entertainment provided by such persons or organizations in the ordinary course of business are generally prohibited, but may be approved by the President or Chair on a case-by-case basis.

Gifts are considered “token gifts” when they are of such limited value that they could not reasonably be perceived as an attempt to affect judgment of the recipient. Employees of TNJH are also bound by TNJH’s policies and procedures on gifts.

VIII. Personal Use of Vendors

Directors, officers or employees in a position to influence purchasing decisions must promptly disclose to the Compliance Office if within the last three years they (or their Related Parties) had, or are considering entering into, a personal transaction with a vendor or supplier known to be, or under consideration as, a vendor or supplier to TNJH. This requirement is in addition to the disclosure of a potential conflict of interest requirement of section IV above and the prohibition of certain gifts pursuant to section VII above.

IX. Business and Family Relationships

Directors, officers and Key Employees (as that term is defined below), must disclose any Business Relationship or Family Relationships (as those terms are defined below) they may have with other Directors, officers and Key Employees. This is an IRS reporting requirement.

A “Key Employee” an employee of TNJH (other than an officer or director) who meets both of the following tests:

- (a) Receives annual total compensation from TNJH in excess of \$150,000.
- (b) The employee:
 - (i) has responsibilities, powers or influence over TNJH as a whole similar to those of officers or directors;

Reportable Business relationships do not include attorney-client or physician-patient relationships.

“Family Relationships” are any relationship by blood, marriage, civil union, domestic partnerships or adoption.

X. Violations of the Conflicts of Interest Policy

1. If the President, Board or committee has reasonable cause to believe an employee, officer or director has failed to disclose actual or possible conflicts of interest, it shall inform the employee, officer or director of the basis for such belief and afford the employee, officer or director an opportunity to explain the alleged failure to disclose.

2. If, after hearing the member’s response and after making further investigation as warranted by the circumstances, the President, Board or committee determines the employee or member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

XI. Questionnaire and Statement

1. It is the responsibility of all directors, officers and employees of TNJH to familiarize themselves with this Policy and to comply and to ensure compliance of Related Parties with it.

2. In addition to the appropriate disclosures required by this Policy, the following persons must complete, sign and return to the president a questionnaire and statement concerning this Policy: (a) directors of TNJH; (b) non-director officers of TNJH; (c) all persons employed in the materials management or purchasing departments of TNJH; (d) department heads of TNJH; (e) other employees, of TNJH (“Designated Employees”), including physicians, nurse practitioners and others who are in a position to influence vendor selection or to approve the expenditure of funds, as determined by the President; (f) all members of the development staff.

All directors and officers are required to return the questionnaire and statement on an annual basis. Other employees are required to return the questionnaire in accordance with the schedule determined by the president.

- (c) has agreed to comply with the policy, and
- (d) understands that many of The New Jewish Home affiliates are charitable organizations and that in order to maintain their federal tax exemption they must engage primarily in activities which accomplish one or more of their tax-exempt purposes.

XII. Report to the Board of Directors

The chair and the president shall report to the board of The New Jewish Home at least once annually concerning any disclosures of potential conflicts of interest made to them, and any other conflicts of interest which have occurred and the steps that were taken to resolve those conflicts.
