

# WHAT YOU NEED TO KNOW ABOUT... **SHORT-STAY REHABILITATION SMALL HOUSE**

## **Short-Stay Rehabilitation Small House**

combines expert staff, the finest equipment, and the support you'll need to make the transition home. This offering is part of the innovative Green House™ model of care, where a select group of post-acute patients live together in a home-like setting, all while creating a deep partnership with their team of care partners.

## REAL HOME

- Rehab in a real home, where you and your family help guide your recovery
- We help you imitate rather than simulate your daily activities
- Care that nourishes the mind, body and spirit
- Customized therapies for Activities of Daily Living (ADL)
- Home-cooked meals

## EMPOWERED STAFF

- Nurses, Therapists and *Adirim* (specialized Certified Nursing Assistants) care for specific diagnoses such as orthopedic, stroke and cardiopulmonary
- *Adirim* observe therapy and actively participate in the healing process
- Staff independence is promoted

## MEANINGFUL LIFE

- Promoting dignity, choice and autonomy
- Dedicated staff for each Small House allows for deep knowing between staff and patients
- Meals prepared daily in the home with fresh ingredients
- One-on-one therapy
- Spa services available on-site

## OUR SPECIALTY AREAS

- Orthopedic injuries and joint replacements
- Heart attack and cardiac conditions
- Gastrointestinal surgeries and treatments
- Stroke
- Pneumonia
- Chronic Obstructive Pulmonary Disease (COPD)
- Falls
- Infectious Disease

## YOUR CARE PARTNERS

Rehabilitation services are offered up to seven days a week with daily physician visits. You and your skilled care team will meet regularly to assess your care, and keep you on the road to a safe and successful discharge home. The team includes:

- Full-time staff Physicians and Nurse Practitioners
- Physical, Occupational, Speech and Audiology Therapists
- Access to Cardiology, Pulmonary and Infectious Disease Specialists
- Dietitians and Social Workers
