

Garden and Dining Room Visitation

We are delighted to welcome families and loved ones back to The New Jewish Home, University Avenue Assisted Living (ALP)! Below please find information about how to schedule a visit with our residents, and guidelines we have put in place to ensure a safe visit. **Please be aware that visitation may be put on pause at any time due to a positive COVID-19 lab test result of any residents and/or staff.**

We will be open for visitation five days a week. Each visit must be scheduled in advance and will be 20-minutes long (as recommended by the DOH).

- Monday – Friday: 10 a.m. - 12 p.m; 2 - 3:30 p.m.

Visitors will need to complete and pass a brief health screening questionnaire and have their temperature taken before entering the facility. The visit will take place in the garden (weather permitting) or in the dining room. All visits must be scheduled in advance and will be scheduled in the order they are received. Each resident may have two visitors per scheduled visit.

To schedule a visit, please email Elizabeth Mercado at emercado@jewishhome.org or Stephanie Davila at sdavila@jewishhome.org.

Visitors and residents must:

- Wear face masks (we will provide masks if visitors do not have their own)
- Remain in designated areas
- Adhere to social distancing rules
- Cooperate with staff instructions at all times

Tentative Date to Reopen Visitation: October 1, 2020
