

Small Houses

We are the only nursing home in Westchester providing person-directed care through Small Houses offering a warm, inviting and home-like setting.

SMALL HOUSES FEATURE:

- Luxury amenities with new and beautifully designed common areas with modern rooms and en-suite bathrooms
- Meals prepared from scratch in an open kitchen and shared at a communal table
- Specially trained caregivers who are dedicated to each Small House which allows them to deeply know each resident and offer highly individualized care
- Strong emphasis on autonomy, dignity, and meaningful life

It is the policy and commitment of The New Jewish Home to provide equal access to our facilities and healthcare services. In furtherance of this commitment, and subject to applicable City, State and Federal regulations, The New Jewish Home does not discriminate on the basis of race, color, sex, gender identity, sexual orientation, national origin, age, disability, visual impairment, deafness or hearing impairment, religion, creed, familial status, marital status, source of income or payment, domestic violence victim status, military status, arrest record, conviction record, predisposing genetic characteristics, or any other legally protected classification. The New Jewish Home is committed to providing equal housing opportunities pursuant to applicable City, State, and Federal fair housing laws. For further information about this policy, please call 212.870.5000 or email Info@JewishHome.org and ask for our Chief Compliance Officer.

MISSION

Our mission is to empower older adults to enhance purpose and well-being through a portfolio of innovative health care services.

VISION

Our vision is a new reality in which ageism is no longer, and society embraces its older adult members.

Located in the charming village of Mamaroneck, as part of the The New Jewish Home health care system, Sarah Neuman is the destination of choice for short-stay rehabilitation and long-term care in Westchester. We offer clinical excellence, highly trained staff, modern amenities—all on one beautiful garden campus.

Short-Stay Rehabilitation

We help you seamlessly manage the transition from the hospital to your home after illness, injury or surgery.

SHORT-STAY REHABILITATION INCLUDES:

- An on-site, care team of physicians, nurses and nursing assistants, physical, occupational, speech and audiology therapists, social workers and dietitians
- Therapy services provided by the nationally renowned Burke Rehabilitation Hospital and available 7 days a week
- Medication management, daily physician visits, and wound care
- High nurse-to-patient care ratio and multilingual staff
- Fresh and nutritious chef-prepared daily meals
- Amenities include state-of-the-art therapy gym, flat screen TVs and Wi-Fi in every room, beauty salon on premise and 24-hour security

SPECIALTY PROGRAM:

We offer the only heart failure program accredited by the Joint Commission in Westchester.

- The program combines an interdisciplinary rehabilitation, cardiac education, and real-time heart health monitoring.
- Each patient works closely with a **Transition Care Manager**, a specially trained licensed social worker, who serves as the point of contact with the care team.

Sarah Neuman is a preferred partner for the Montefiore Hudson Valley Collaborative and New York-Presbyterian Westchester Division.

Long-Term Skilled Nursing Care

If your needs are too complex to manage at home, Sarah Neuman offers a supportive long-term care community to help you thrive.

LONG-TERM CARE INCLUDES:

- 24/7 care by registered nurses with on-site nurse practitioners, physicians, and medical specialists
- Robust therapeutic recreation programs including creative writing classes, art and music therapy, theater and exercise groups
- Religious and spiritual services
- Palliative care
- Special Therapy Center for Memory Impairment

We are proud to be a **Comfort Matters®** accredited organization. The goal of the Comfort Matters program is to promote daily well-being and provide comfort by relieving dementia related symptoms, pain and stress.
