

# Are you wondering if home care might be right for you or your loved one?

For only \$200 – 70% off our usual rates – you will receive a Registered Nurse visit, and 3 days of home health aide services.

The New Jewish Home's **TRANSITIONS** program is here to help individuals transition to the next level of their care at a fraction of our traditional rates. Whether returning home after an in-patient stay, or if you or a loved one is beginning to need additional care at home, we can be there for you. Working with your loved ones, doctors and family, our nurses and home health aides are here to ensure a safe, supportive and friendly transition to home care.

Our Registered Nurse will provide a comprehensive in-home assessment, and our home health aides can provide the following services:

- Bathing
- Toileting
- Dressing
- Grooming
- Fall prevention
- Meal preparation
- Picking up prescriptions
- Light housekeeping
- Food shopping

NEW  
JEWISH  
HOME**

There is no commitment on your end, but we are confident that once you have experienced what our staff can do for you or your loved one, you will want to continue our services.

Our team of Geriatric Care Managers are also available to assist with all phases of "what comes next" when it comes to care at home. They can help you organize and pay bills, find health care specialists in your community, and do many other tasks to help ease the burden on you or your loved one.
