

## 2021 Stay at Home Gala

*A gala gift from your home to theirs...*

Your gift fills the gaps that insurance doesn't cover for seniors living in poverty. Here's the impact you can make with your donation:

- \$25,000** provides 25 people coming home from the hospital with skilled nursing care and therapies for two (2) months
- \$15,000** provides 15 scholarships to Geriatrics Career Development ([GCD](#)) young adults, disconnected from employment, so they can enter the healthcare workforce
- \$10,000** connects 30 older adults each month with medical and social services through our community adult day care programs
- \$2,500** provides in-home assistance with personal care and daily-living activities for 60 people, three (3) times a week each month
- \$1,000** Provides an internship to a low-income high school senior pursuing the Geriatrics Career Development ([GCD](#)) program
- \$500** Provides a low-income high school student with testing, books and uniforms for the Geriatrics Career Development ([GCD](#)) program
- Other amount:** \$ \_\_\_\_\_

In supporting The New Jewish Home with a charitable gift to Fund For The Aged Inc., you become part of a compassionate family of generous donors who are determined to improve the options available to those who most need and deserve professional health care.

***Your commitment helps make all of these essential services possible.***

***Thank you!***
